JACKELINE GONZALES BERROSPI
SUGAR HILL, GA
4049971827, jgonza270@gmail.com

JOB OBJECTIVE:

Obtain a position in your reputed company, using my mathematical skills, gained with my Physics studies, Naturally born analytical in all matters of life personal and professional added Education background and communication skills will make me a great candidate to succeed in your organization.

EDUCATION:

PHYSICS 2008 FEDERICO VILLARREAL UNIVERSITY LIMA- PERU
DATA SCIENCE 2022 GEORGIA TECH GA-USA 2022

CERTIFICATES AND KEY EDUCATION:

1. Certificate of attendance for a course of Medical Physics issued by San Marcos University Lima-Peru 2002

2. Certificate as a member of an organizing committee for a course of Radiology Protection in Interventional Radiology. Event organized by Dos de Mayo National Hospital and Peruvian Society of Radiation (SPR) Lima-Peru 2003

3. Course Certificate of Quality Control on Tomographic machines sponsored by Spanish Society of Radiology Protection (GRIAPRA) Lima-Peru 2003

4. Course Certificate of Quality Control on Radioactive Installations (GRIAPRA) Lima-Peru 2003

5. Diploma Certificate of accomplishment pre-professional practice internship of Radiology Safety and Medical Physics issued by Dos de Mayo National Hospital being in charge Nora Acosta Rengifo Director of the Radiology Safety and Medical Physics unit. Lima-Peru 2005

6. Graduated at Federico Villarreal National University with Bachelor's degree in Physics Lima-Peru 2008.

   Professional Courses include :

- Physics Mechanics.
- Chemistry.
- Statistics and Probabilities.
- Electricity and Electronics.
- Quantum Mechanics I.
- Experimental Physics .

- Quantum Mechanics II.
- Electromagnetism.
- Thermodynamics.
- Atomic and Molecular Physics.
- Nuclear Physics.
- Nuclear Instrumentation.
- Simulation and Control.
- Physics of Solid State.
- Development of Projects.
- Physics of Metals.
- Medical Physics.

RELEVANT SKILLS:

- Programming languages: Javascript, Python, SQL.
- Libraries: Pandas, Numpy, SciPy.
- Json, Api key Best Practices.
- Text editors: Vscode, Jupyter notebook, Conda environment.
- Version Control GIT.
- Microsoft office (Word, Exel, Access, Power Point)
- Oscilloscope Reading Practice.
- Laboratory Experience.
- Communication and Customer Service.
- Spanish and English speaker.
- Mathematical skills, problem solver.
- Research and data analysis.

WORK EXPERIENCE

- Kmart Retail Store, all departments. Chantilly VA 2011-2013
- Walmart Retail Store, Apparel department. Suwanee GA 2017- 2018
- USPS ARC associate; Processing packages and delivering them to customer's homes. Gainesville GA-2019
- Lowe's Home Improvement Store, Sales Associate. Buford GA 2019-2020
- Office Depot warehouse Buford GA 2020
- Valentine Enterprise Inc. Quality Control Tech.
